Explanation of Responses:

- Immediately following the closing of the offering, the reporting person acquired units (each, a "Private Unit") that were originally purchased by Lionheart Equities, LLC in a private placement that closed simultaneously with the closing of the offering. Each Private Unit consists of one share of Class A common stock and one-half of one warrant (each, a "Private Warrant"), with each whole Private Warrant entitling the holder thereof to purchase one share of Class A common stock at a price of \$11.50 per share, subject to adjustment as described in the registrant's registration on Form S-1 (File No. 333-240130) (the "Registration Statement")
- Purchased by vehicles and accounts managed by Akaris Global Partners LP over which the reporting person has voting and dispositive power.
- Immediately following the closing of the offering, the reporting person was transferred shares of Class B common stock by Lionheart Equities, LLC. As described in the Registration Statement under the heading "Description of Securities - Founder Shares and Private Units," the shares of Class B common stock will automatically convert into shares of Class A common stock at the time of the registrant's initial business combination on a one-for-one basis, subject to certain adjustments described therein and have no expiration date.
- The Private Warrants become exercisable on the later of (i) 30 days after the completion of the registrant's initial business combination and (ii) 12 months from the closing of the registrant's initial public offering.
- The Private Warrants expire 5 years after the completion of the registrant's initial business combination or earlier upon redemption or liquidation, as described in the Registration Statement.
